

Medical Records Review Sheet: Meeting Benchmarks

Please review the electronic medical records for the 10 patients listed on the Meeting Benchmarks report. Please indicate whether or not household tobacco use is documented in the electronic medical record.

Patient #	Is tobacco use in the household documented?	
	Yes	No
1	<input type="checkbox"/>	<input type="checkbox"/>
2	<input type="checkbox"/>	<input type="checkbox"/>
3	<input type="checkbox"/>	<input type="checkbox"/>
4	<input type="checkbox"/>	<input type="checkbox"/>
5	<input type="checkbox"/>	<input type="checkbox"/>
6	<input type="checkbox"/>	<input type="checkbox"/>
7	<input type="checkbox"/>	<input type="checkbox"/>
8	<input type="checkbox"/>	<input type="checkbox"/>
9	<input type="checkbox"/>	<input type="checkbox"/>
10	<input type="checkbox"/>	<input type="checkbox"/>

If 4 or more records are missing documentation of household tobacco use, please indicate any reasons why this documentation is not present:
