

IMPLEMENTATION GUIDE

Evaluation and Modification of Exercise Patterns in the Natural Environment

*Using an Evidence-Informed Program to develop
a process model for program delivery in the practice setting*

Note: Refer to “Using What Works: Adapting Evidence-based Programs to Fit Your Needs” and the handouts in Modules 4 and 5 to modify and evaluate this program to meet the needs of your organization and audience.

“Using What Works” is available online at
http://cancercontrol.cancer.gov/use_what_works/start.htm.

To receive training on “Using What Works,” contact the NCI Cancer Information Service and speak to a Partnership Program Representative in your area. This information is available online at <http://cancercontrolplanet.cancer.gov/partners/index.jsp?cctopic=C>.

I. Program Administration (Type of Staffing and Functions Needed)

Health Educator

- Posts poster

II. Program Delivery

For additional information on modifying program materials, refer to Module 4, Handouts #2 and #6 in “Using What Works”: Adaptation Guidelines and Case Study Application.

A. Program Materials (All listed materials can be viewed and/or downloaded from the Products Page):

Poster: This 3’x 3½’ color poster encourages subjects to use the stairs when they have the choice. The poster states: “Your heart needs exercise...Here’s your chance.”

B. Program Implementation:

The steps used to implement this program are as follows:

Step 1: The Health Educator prints one or more copies of the poster.

Step 2: The Health Educator posts this poster in an area where the public can choose between using an escalator or stairs to travel between floors.

III. Program Evaluation

For additional information on planning and adapting an evaluation, refer to Handouts #2-8 in Module 5 of “Using What Works.”

For further assistance in designing and conducting an evaluation, go to the Cancer Control P.L.A.N.E.T. Web site and see Step 2: Identify potential partners to find a research partner in your area. This information is available online at

<http://cancercontrolplanet.cancer.gov/partners/researcher.jsp?cctopic=0>.
