WELCOME TO THE FRIEND TO FRIEND PROGRAM!

THANK YOU FOR VOLUNTEERING YOUR TIME AND ENERGY
TO THIS PROJECT! THE PURPOSE OF THIS PROGRAM IS TO
ENCOURAGE WOMEN TO GET REGULAR MAMMOGRAMS FOR
THE EARLY DETECTION OF BREAST CANCER WHEN IT IS
MOST CURABLE.

The program includes three major components:

- 1) A Friend to Friend Party at which ACS volunteers, including a health professional, deliver the mammography message.
- 2) A small-group discussion about breast cancer, mammography, and barriers to receiving care.
- 3) A mammogram sign-up.

This manual has been developed to familiarize you with the Friend to Friend program and to provide you with guidelines for planning and conducting the Friend to Friend Party.
