PATIENT SECTION A & B

ORGANIZATION SECTION C

FRONT SIDE

BACK SIDE

CUT ALONG DASH LINE / FOLD ALONG DOTTED LINE

The reminder card is a double-sided template. The front side includes: logo and appointment fields for the 1st, 2nd, and 3rd appointments. The back side includes: a logo, fields for the patient's name and contact information and the organization's name/telephone. A perforated line at the bottom of section B of the reminder card allows organizations to track the appointment times and dates for the patient. The patient receives ONLY the top portion of the reminder card, i.e, logo and appointment fields. And the organization keeps the bottom portion for their records.

See pictorial representation below. The patient portion is labeled as A and B, and the organization card is labeled as C. Notice that at the perforated line, the reminder card can be separated and the top portion is given to the patient and the bottom part is kept by the organization.
