

# CEASE AT A GLANCE

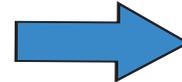

## CONGRATULATIONS!

Your practice is implementing CEASE: Clinical Effort Against Secondhand Smoke Exposure.

## You're Invited!

Attend the Whole Office Meeting call with the Principal Investigator of the study to receive important training materials and learn how to tailor CEASE to your practice!

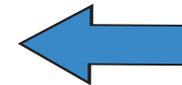

## Tobacco Control Coordinator

Identify your Tobacco Control Coordinator. This person will work with everyone in the practice to help identify families with tobacco exposure in the home.

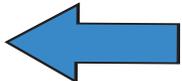

*Your practice is now ready to implement CEASE!*

## WELCOME RA!

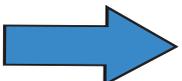

The RA will be conducting brief interviews with parents exiting the practice. Don't forget to encourage parents to stop by the RA on their way out!

Review the quarterly Intervention Feedback Reports to improve how well your practice is implementing CEASE!

Be on the look out for the weekly Intake Survey Reports!

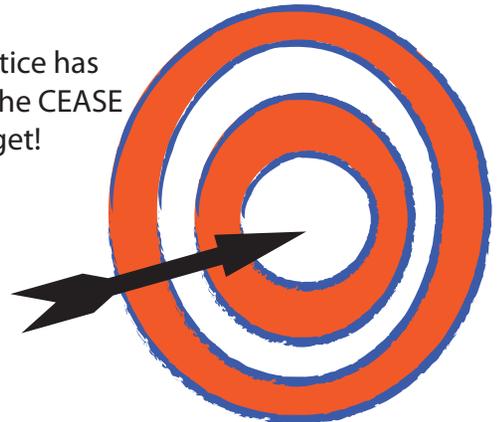

## 2 Years Already?

Welcome the RA into the practice to conduct the 2-year exit interviews with parents!

Your practice has reached the CEASE study target!

## NICE WORK!
