## RESOURCES LIST

The organizations listed below provide a variety of products that may help your pool to promote healthy sun-safe habits. Due to the large number of products and the varied policies of vendors, we are unable to list all the details here. If you are interested in a particular product, go to that company's website to view and to select exactly what you want. It will probably be easiest for you to contact the company directly. However, we may be able to assist you in negotiating a discount rate in some instances.

The **POOL COOL** logo items can be ordered directly from the POOL COOL Program.  
**Note: The prices listed may be subject to change.**
