

**Tailored Communication for Cervical Cancer Risk
Cognitive Affective Barriers Assessment**

SAMPLE

Clinic staff: Thanks for talking with me today. Your answers will help me understand more about what is important to you and how your thoughts and feelings affect how you take care of yourself and your health needs. I am now going to ask you some questions about your health.

I'll ask you a question, and then ask you to rate your response to that question on a scale from "not at all" to "extremely". You will have a choice between "not at all," "slightly," "somewhat," "very much," and "extremely."

INSTRUCTION:
Go to Question 1 and continue
through all questions

I. ENCODING BARRIERS

1. How well do you understand what it means to have an abnormal Pap smear?

Not at all	Slightly	Somewhat	Very much	Extremely
------------	----------	----------	-----------	-----------
