IMPLEMENTATION GUIDE
iCanDecide

Using an Evidence-Based Program to develop
a process model for program delivery in the practice setting

Note: Refer to "Putting Public Health Evidence in Action." Review the appropriate Modules and the handouts provided in each, in order to modify and evaluate this program to meet the needs of your organization and audience.

"Putting Public Health Evidence in Action" is available online at:
http://cpcrn.org/pub/evidence-in-action/

I. Program Administration (Type of Staffing and Functions Needed)

Program Administrator (Any clinical or technical staff)
- Identify candidates who would benefit from using iCanDecide and share the iCanDecide website.

II. Program Delivery

For additional information on modifying program materials, refer to the appropriate Module(s) for program adaptation from "Putting Public Health Evidence in Action".

A. Program Materials *(All listed materials can be viewed and/or downloaded from the Products Page)***:**

The iCanDecide website can be accessed at https://icandecide.care/login.

B. Program Implementation:

The steps used to implement this program are as follows:

Step 1: Go to the iCanDecide website.
Step 2: Select "Need to register?". Create an account using your email address or phone number and enter "BreastCancer" as the access code.
Step 3: To login, enter your email or phone number and select "Send passcode".
Step 4: Retrieve the passcode from your email or text message. Enter the passcode and select "Verify".
Step 5: Begin using the iCanDecide website.

III. Program Evaluation

For additional information on planning and adapting an evaluation, review the appropriate Modules for program implementation and evaluation from "Putting Public Health Evidence in Action."
http://cpcrn.org/pub/evidence-in-action/

For further assistance in designing and conducting an evaluation, consider communicating with members of NCI's Research to Reality (R2R) Community of Practice who may be able to help you with your research efforts. Following is a link to start an online discussion with the R2R community of practice, after completing registration on the R2R site:
https://researchtoreality.cancer.gov/discussions.
