

[Date]

Dear Mr. [Last Name]:

Thank you very much for your interest in using the Prostate Cancer Screening Decision Aid. We hope that this decision aid will help you understand more about the pros and cons of prostate cancer screening. This website provides information on what is known and what is not known about prostate cancer screening, which we hope will help you make the best choice for yourself.

To access the prostate cancer screening decision aid website, click on the following link:

prostatedecision.georgetown.edu

We have also included the following handouts to assist you in using the website:

- A handout with instructions for how to use the Georgetown Web site.
- A handout with troubleshooting instructions for the Web site.
- A handout with a list of local Internet access locations.

If you have any questions about using the website, please do not hesitate to contact us at **[add phone number]**.

If you are interested in reading about the research that was conducted to develop and test this website, please see the links below. Also, there are additional background references included at the end of the website.
